Dear Friends,

Last year again, we almost had to cancel this event due a lack of reservations and for the first time in 18 years we were in the red. This year, we won't have the luxury of extra time to chase down those needed reservations – please respond as soon as possible! You will notice that we have kept our event at the same price as 2011 even though costs have risen! We know, however, that you will understand, as at this price the event will just break even, and because our tickets cost half, or must less than half, of most other Burns Nights in the city. For the 2012 Burns Night to go on as planned, we must have 80 paid reservations by Wednesday, February 8th. That means we will need your checks and reservation forms *in hand* on the 8th. Thank you.

RESERVATION DEADLINE - Wednesday, February 8th, 2012

Our friends at First Presbyterian Church and their Catering Team are ready to help us get this party going, thanks again to Jackie and Jose. In order to make our event even more successful we need your help.

Wild Heather featuring Mary Abdill, Karen Brown, Hannah Marcus & Jenny Winship will be playing this year, Sylvie Jensen will be singing, Douglas Safranek will pipe in the haggis, and the Immortal Memory will be delivered by Mike Ogletree, drummer from the Scottish band Simple Minds. We of course will be having our very popular country dancing lead by Ann Hankins and Jack Cole, bring comfortable shoes!

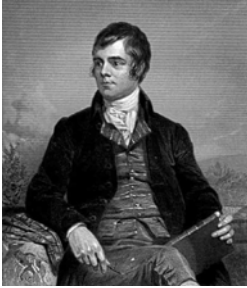

As I try to do every year, I will be cleaning and purging our database, so along with your reservation I am asking you to review the information we have on our database. If there are any changes please note them clearly on the sheet and send them back to me in the self-addressed envelope enclosed with this letter. Please take a moment and a stamp to let us know that you would like to remain on our list. See you all on Saturday, February 18, 2012!

Sincerely,
Ian Betts, Clann Chief
