Dear Friends,

We have always kept the admission price as low as possible and continue do so, even as we have to raise the tickets price this year. We know, however, that you will understand, as at this price the event will just break even, and because our tickets cost half, or must less than half, of most other Burns Nights in the city. For the 2010 Burns Night to go on as planned, we must have 80 paid reservations by Wednesday February 17th. That means we will need your checks and reservation forms *in hand* on the 17th. Last year we almost had to cancel to due a lack of reservations, then word got out and many people responded. This year, we won't have the luxury of extra time to chase down those needed reservations – please respond as soon as possible! Thank you.

RESERVATION DEADLINE - Wednesday, February 17, 2010

Our friends at First Presbyterian Church and their Catering Team are ready to help us get this party going, thanks again to Jackie and Jose. In order to make our event even more successful we need your help. **We need volunteers** to set up before the event and to clean up after. Give me a call or email if you have time to help.

The band Bargainland will be playing this year, Douglas Safranek will pipe in the haggis, and the Immortal Memory will be delivered by oor guid friend Spike McClure. We of course will be having our very popular country dancing lead by Ann Hankins and Jack Cole, bring comfortable shoes!

As I try to do every year, I will be cleaning and purging our database, so along with your reservation I am asking you to review the information we have on our database. If there are any changes please note them clearly on the reservation sheet and send them back to me in the self-addressed envelope enclosed with this letter. Please take a moment and a stamp to let us know that you would like to remain on our list. See you all on Saturday, March 6, 2010!

Sincerely,
Ian Betts, Clann Chief
